

Miss me by Andy Grammer

I wake up and I'm sober I don't even know you anymore Punch drunk on a feeling Lost in believing I was sure I don't care what you have to say Damn words get in the way I don't want to know I know there'll come a time When I'll look you in the eyes And say I told you so And I promise you this You're (1)_____ to miss me, miss me As (2)____ as you live You're going to miss me, miss me Set me up for the falling (3)_____ me no warning you were gone Let me down I was reeling I can't believe what you've done Go do what you've got to do Damn words will follow you Everywhere you go
