in the suburbs i	Sometimes I can't believe it
I learned to drive	I'm movin' (5) the feeling and into the night
And you told me we'd never survive	So can you understand?
Grab (1) mother's keys we're leavin'	Why I (6) a (7) while I'm still
You always seemed so sure	young
That one day we'd fight in	I wanna hold her hand
In a suburban world	And show her some beauty
your part of town (2) minor	Before this (8) is done
So you're standin' on the opposite shore	But if it's too much to ask,
But by the time the first bombs fell	it's too much to ask
We were (3) bored	Then send me a son
We were already, already bored	Under the overpass
Sometimes I can't believe it	In the parking lot we're still waiting
I'm movin' past the feeling	It's (9) passed
Sometimes I can't believe it	So move your feet from hot pavement
I'm movin' past the feeling again	and into the grass
Kids wanna be so hard	Cause it's already passed
But in my dreams	It's already, already passed!
we're still screamin' and runnin' (4) the	Sometimes I can't believe it
yard	I'm movin' past the feeling
And all of the walls	Sometimes I can't believe it
that they built in the seventies finally fall	I'm movin' past the feeling again
And all of the houses	I'm movin' past the feeling
they build in the seventies finally fall	I'm movin' past the feeling
Meant nothin' at all	In my dreams we're (10) screamin'
Meant nothin' at all	We're still screamin'
It meant nothin	We're still screamin'
Sometimes I can't believe it	
I'm movin' past the feeling
