The suburbs by Arcade Fire

Fill in the gaps

In the suburbs I	Sometimes I can't believe it
I learned to drive	I'm movin' past the feeling and (6) the nigh
And you told me we'd never survive	So can you understand?
Grab your mother's keys we're leavin'	Why I want a daughter while I'm still young
You always seemed so sure	I wanna hold her hand
That one day we'd fight in	And show her some beauty
In a suburban world	Before this damage is done
your part of town gets minor	But if it's too much to ask,
So you're standin' on the opposite shore	it's too much to ask
But by the time the first bombs fell	Then send me a son
We were already bored	Under the overpass
We were already, already bored	In the parking lot we're still waiting
Sometimes I can't believe it	It's already passed
I'm movin' past the feeling	So move your feet from hot pavement
Sometimes I can't believe it	and into the grass
I'm movin' past the feeling again	Cause it's (7) passed
(1) wanna be so hard	It's already, already passed!
But in my dreams	Sometimes I can't believe it
we're still screamin' and runnin' through the yard	I'm movin' past the feeling
And all of the walls	Sometimes I can't (8) it
(2) (3) built in the seventies finally fall	I'm movin' past the (9) again
And all of the houses	I'm movin' (10) the feeling
they build in the (4) finally fall	I'm movin' past the feeling
Meant nothin' at all	In my dreams we're still screamin'
Meant nothin' at all	We're still screamin'
It meant nothin	We're still screamin'
(5) I can't believe it	
I'm movin' past the feeling
