

## Fill in the gaps

You can (1) on my head	We can do what we like
I wouldn't mind	If you don't mind
It wouldn't be the first time	It's (4) brighter at night
When we're kicking up dust	I won't trade night for day
Reflecting light	Street lights they are shining anyway
It's much brighter at night	Much brighter at night
It's much brighter at night	Much (5) at night
We can speed in my car	Why not just let go?
Under traffic lights	Much brighter at night
With no sun in our eyes	Much brighter at night
We can do what we like	I love a truth-be-told
If you don't mind	What do we do when the sun comes down?
It's much brighter at night	(6) all that we do
I won't trade night for day	We do when it's brighter at (7)
Street lights they are shining anyway	I'm not mistaken just (8)
Much brighter at night	I'm replaying night after night after night
Much brighter at night	Much brighter at night
Why not just let go?	Much brighter at night
Much brighter at night	Why not just let go?
(2) brighter at night	Much brighter at night
I love a truth-be-told	Much brighter at night
What do we do when the sun (3) down?	I love a truth-be-told
When all that we do	What do we do when the sun (9) down?
We do when it's brighter at night	When all that we do
-Four, three, two, one-	We do when it's brighter at night
We can speed in my car	
Under traffic lights	
With no sun in our eyes
