You can dance on my head	We can do what we like
I wouldn't mind	If you don't mind
It wouldn't be the first (1)	It's much brighter at night
When we're kicking up dust	I won't trade night for day
Reflecting light	Street lights they are shining anyway
It's much (2) at night	Much brighter at night
It's much brighter at night	Much (7) at night
We can speed in my car	Why not (8) let go?
Under traffic lights	Much brighter at night
With no sun in our eyes	Much brighter at night
We can do what we like	I love a truth-be-told
If you don't (3)	What do we do when the sun comes down?
It's much brighter at night	When all that we do
I won't trade night for day	We do when it's brighter at night
Street lights they are shining anyway	I'm not mistaken just pretending
Street lights they are shining anyway Much brighter at night	I'm not mistaken just pretending I'm (9) night after night
