

Fill in the gaps

Like a grain on the beach	We don't (12) to believe every word they say, no
Like a star in the sky	They don't know me
Far too many to (1) (2) the	(13) the one who looks right through me
(3) eye	Now you're saying (14) you (15) me
(4) won't see you	(16) I was invisible
Go ahead	And you're the one who walked right through me
Walk on by	Now you're (17) (18) you knew
You don't know I'm alive	me
Maybe one day you'll find	When I was invisible
You should open your eyes	It's so easy to be lost
You don't know me	But maybe (19) not lost at all
(5) the one who looks right through me	Do you recognize me?
Now (6) saying (7) you	Do you know who I am?
(8) me	Do you see me now?
When I was invisible	Do you see me now?
And you're the one who (9) right through me	You're the one who (20) right
Now (10) saying that you (11)	(21) me
me	Now you're saying (22) you (23) me
When I was invisible	When I was invisible
Little things adding up	And (24) the one who walked right
Try so hard not to rush	through me
Giving in, letting go off the world we know	Now (25) saying (26) you
They won't see you	knew me
Force it down	When I was invisible
Lose the taste	I'm invisible, I'm invisible
They all think it's a waste
