Thinking Of Me by Olly Murs

I remember taking you home on that 86

Standing in your doorway where we used to kiss

Fill in the gaps

winter time in London are you making plans	Then your Dad came out and chased me (6) the
Are you still rocking converse (1) your old Raybans	street
If you're sitting in the places that we used to be	If you remember just how scared I used to be
Or if you're somewhere listening to Bob Marley	Then I know that you're somewhere thinking of me
Then I know (2) you're (3)	I know wherever you go
thinking of me	That you'll be thinking about me now
Do you still pick up the seashells on that pebble beach	I know wherever you go
Remember when that crab came up and pinched your feet	That you'll be thinking about me
When that old guy gave us all those drinks for free	Bumped into Irene down in waterloo
Do you still get knocked (4) by that Bacardi breeze	She told me that you got yourself somebody new
Then I (5) that you're somewhere thinking of me	She said you musta like him cos he's oh so nice
(Oh yes you are)	But I remember that you like a pinch of spice
Then I know that you're somewhere thinking of me	Well I
(oh uh yeh yeah)	I know wherever you go
No point regretting that it didn't last	That you'll be thinking about me now
No point regretting that it went so fast	I know (7) you go
Time that we had was like sand in our hand	That you'll be thinking about me now
But when I look behind	I know wherever you go
I'm so glad that you were mine	That you'll be thinking about me now
