

Fill in the gaps

Winter time in London are you making plans	Then your Dad came out and chased me down the street
Are you still rocking converse with your old Raybans	If you remember just how scared I used to be
If you're sitting in the places that we used to be	Then I know that (6) somewhere thinking
Or if you're somewhere (1) to Bob	of me
Marley	I know wherever you go
Then I know that you're somewhere thinking of me	That you'll be (7) about me now
Do you still pick up the seashells on that pebble beach	I know wherever you go
Remember when (2) crab came up and pinched	That you'll be thinking about me
your feet	Bumped into Irene down in waterloo
When that old guy gave us all those drinks for free	She told me that you got yourself somebody new
Do you still get knocked down by that Bacardi breeze	She said you musta like him cos he's oh so nice
Then I know that you're somewhere (3)	But I remember (8) you like a pinch of spice
of me	Well I
(Oh yes you are)	I know wherever you go
Then I know that you're somewhere thinking of me	That you'll be thinking about me now
(oh uh yeh yeah)	I know (9) you go
No point regretting that it (4) last	That you'll be thinking about me now
No point regretting that it went so fast	I know wherever you go
Time (5) we had was like sand in our hand	That you'll be thinking about me now
But when I look behind	
I'm so glad that you were mine	
I remember taking you home on that 86	
Standing in your doorway where we used to kiss
