## Here's to never growing up by Avril Lavigne

Singing Radionead at the top of our lungs	Say, won't you say forever stay
With the boom box (1)	If you (6) forever hey
As we're falling in love	We can stay forever young
I got a bottle of whatever	Singing Radiohead at the top of our lungs
But let's get in this truck, singing	With the boom box blaring
Here's to never growing up	As we're falling in love
Call up all our friends	I got a bottle of whatever
Go hard (2) weekend	But let's get in this truck
For no damn reason, I don't think we'll ever change	Singing, here's to never growing up
Meet you at the spot, half past ten o'clock	We'll be running down the street, yelling kiss my ***
We don't ever stop, and we're never gonna change	I'm (7) yeah whatever, we're (8)
Say, won't you say forever stay	living like that
If you (3) forever hey	When the sun's (9) down, we'll be raising our
We can stay forever young	cups
Singing Radiohead at the top of our lungs	Singing, here's to never growing up
With the boom box blaring	Here's to never growing up
As we're falling in love	Here's to never growing up
I got a bottle of whatever	Say, won't you say (10) stay
But let's get in (4) truck	If you stay forever hey
Singing, here's to never growing up	We can stay forever young
We'll be running down the street, yelling kiss my ***	Singing Radiohead at the top of our lungs
I'm like yeah whatever, we're still living like that	With the boom box blaring
When the sun's going down, we'll be raising our cups	As we're falling in love
Singing, here's to never (5) up	I got a bottle of whatever
Here's to never growing up	But let's get in this truck
Here's to never growing up	Singing, here's to never growing up
We live like rock stars	We'll be running down the street, yelling kiss my ***
Dance on every bar	I'm like yeah whatever, we're still living like that
This is who we are, I don't think we'll ever change	When the sun's going down, we'll be raising our cups
They say just grow up. But they don't know us	Singing, Here's to never growing up
We don't give a ****	Here's to never growing up
And we're never gonna change	Here's to never growing up
