## Is There Something by Christopher Cross

Lately I see (1) of sorrow in (2)	And I can't go on
eyes	At (15) not like this
Some (3) (4) you can never	I don't (16) to lose you
quite disguise	But what's the use of holding on
Now I'm scared to ask what it's leading to	I don't (17) have you
But I'm (5) afraid of not asking you	If the feeling's gone
Is (6) something that you want to (7)	Is (18) something I can do to (19)
me	you
Is there something that I ought to know	Are we (20) more (21)
Are we something that's (8) (9)	history
(10) for	If there's no way to convince you to stay
Or should I (11) let you go	And be the way we used to be
Is there (12) I can do to reach you	Then there's (22) (23)
Are we something (13) than history	want to tell you
I'll find some way to convince you to stay	And I want you to believe it's true
If you just tell me honestly	We had something (24) I'll never forget
Is there something left of you and me	Even if I wanted to
You've got secrets you've been keeping for too long	'Cause part of me will (25) be with you
And I'm going crazy acting like there's nothing wrong	
I can taste the truth (14) time we kiss
