For an hour there I was a British queen

Fill in the gaps

Swedish sin by Billie the vision & the dancers

I don't know what I was looking for	dancing to the British accent
and I'm not sure I found it	So London (5) my virginity
I left a note to my dad saying	(6) took my breath away
"I will be gone for about ten days or more"	London took my past
With my Washburn guitar in a hard case	But London left me the Swedish sin
and a bag full of women's clothes	Suddenly I heard this voice inside saying
I bought a stand by ticket	"you're falling into disgrace"
to the airport in Stansted	You weren't raised to behave this way
It felt like I was home	I started cry as I left the place
I exchanged my Swedish money	So (7) (8) my virginit
I exchanged my (1) life	London took my breath away
And I exchanged my (2) gender	London took my past
But I kept the Swedish sin	But London left me the Swedish sin
I got a (3) old room at the Avon Hotel	So London took my virginity
and the (4) woke me up in the morning	London took my breath away
I was thinking to myself this could be heaven or above	London took my past
I put my make up on and I went out on the street	But (9) left me the Swedish sin
I found a club for people like me
