

Fill in the gaps

Nightmares by Billie the vision & the dancers

Where are you Pablo,
I've looked everywhere for you.
Where are you Pablo,
why don't you answer the phone.
Where are you Pablo,
why don't you open the door?
Did you go to your brother in Stockholm,
did you go to London again?
What's going on Pablo,
tell me what the fucks going on,
where are you Pablo?
And everything (1)_____ upside down in a second
and I couldn't go back to (2)_____
and I cannot breathe
as long as I got this one hell of a bad disease.
And the nightmares came over me again.
And my (3)_____ was not to hurt you
but I guess that's what I did.
All the times I've tried to explain to you
what's (4)_____ on inside my head.
And the nightmares came over me again.
You know I need you I'd never let you go.
I love you Pablo.
You (5)_____ you'd never leave me, where are you
Pablo?
25 (6)_____ in a chain and I don't usually
smoke at all.
25 blocks without a cane and I don't usually block at all.
And the nightmares came over me again.

And I got some bad motherfuckers to deal with
and they came for me tonight
and I'm losing myself to a terrible mess
that's impossible to fight.
And the nightmares came over me again.
You know I need you I'd never let you go.
I love you Pablo.
You said you'd never leave me, where are you Pablo?
And you know the little girl I was talking about
she was hanging in a rope.
I'm so exhausted and I'm so tired of this
so (7)_____ expect from me to cope.
And the nightmares came over me again.
And I (8)_____ shoot me if you really hate me
and then he shot me in the head.
And I could see it all happen right before my eyes
and I was lying down there dead.
And the nightmares (9)_____ over me again.
You know I need you I'd never let you go.
I love you Pablo.
You said you'd never leave me, where are you Pablo?
You know I need you I'd never let you go.
I love you Pablo.
You said (10)_____ never leave me, where are
you Pablo?
