

Sunlight comes (1) in
Illuminates our skin
We watch the day go by
(2) of all we did
It made me think of you
It made me think of you
Under a trillion stars
We danced on top of cars
Took pictures of the state
So far from where we are
They made me think of you
They made me think of you
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these wings could fly
For the rest of our lives
I'm in the foreign state
My thoughts, they (3) away
My (4) are leaving me
They caught an airplane
Because I thought of you

Fill in the gaps

Just from the thought of you
Oh, (5) go down in the moment
We're lost and found
I just want to be by your side
If these wings (6) fly
Oh damn, these walls
In the moment we're ten feet tall
And how you (7) me after it all
We'd remember tonight
For the (8) of our lives
If these wings could fly
Oh, lights go down in the moment
We're (9) and found
I just want to be by your side
If these wings could fly
Oh damn, these walls
In the moment we're ten feet tall
And how you told me after it all
We'd remember tonight
For the rest of our lives
