## Shelter by Birdy

## Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (1) you leave
Please teach me gently how to breathe
Please teach me gently how to breathe  And I'll (3) oceans like never before
And I'll (3) oceans like never before
And I'll (3) oceans like never before  So you can feel the way I (4) it too
And I'll (3) oceans like never before  So you can feel the way I (4) it too  And I'll sing images back at you
And I'll (3) oceans like never before  So you can feel the way I (4) it too  And I'll sing images back at you  So you can see the way I (5) it too
And I'll (3) oceans like never before  So you can feel the way I (4) it too  And I'll sing images back at you  So you can see the way I (5) it too  Maybe I have said
