

Fill in the gaps

God knows what is hiding		
In those weak and drunken hearts		
I (1) you kissed the girls and made them cry		
Those hard-faced (2) of misadventure		
God knows what is hiding		
In those weak and sunken eyes		
A fiery throng of muted angels		
Giving love but getting nothing back, oh		
People help the people		
And if you're homesick		
Give me your hand and I'll hold it		
(3) help the people		
And nothing (4) drag you down		
Oh and if I had a brain, oh and if I had a brain		
I'd be cold as a stone and rich as the fool		
That turned all those good hearts away		
God knows what is hiding		
In this world of little consequence		
(5) the tears, inside the lies		
A thousand slowly (6) sunsets		
God knows (7) is hiding		

In those weak and drunken hearts	
Guess the (8)	came knocking
No one needs to be alone, no singing	
People help the people	
And if you're homesick	
Give me your hand and I'll hold it	
People help the people	
Nothing (9) drag you down	
Oh and if I had a brain, oh and if I had a	brain
I'd be cold as a stone and rich as the foo	ol
That turned all those good (10)	away
People help the people	
And if you're homesick	
Give me your hand and I'll hold it	
People help the people	
Nothing will drag you down	
Oh and if I had a brain, oh and if I had a	brain
I'd be cold as a stone and rich as the foo	I
That turned all those good hearts away
