I can't get my feet up off the edge
I kind of like the little rush you get
(1) you're (2) close to death
(3) (4) you're (5) me
crazy
(6) on as we crash into the earth
A bit of pain will (7) you suffer
When you're hurt, for real
Because you are driving me crazy
Bite (8) lips, the word's a robbery
Do you grin inside? You're killing me
All (9) we (10) of forever
I kind of think that we won't get better
It's the (11) start, but the end is not too far
away
Did you know? I'm here to stay
We'll stagger home after midnight
Sleep arm-in-arm in the stairwell
We'll fall apart on the weekend
These nights go on and on and on
I can't (12) your voice out of my head
All I hear are the many (13) of
The darkest words you said
And it's driving me crazy

I can't find the best in all of this		
But I'm (14)	looking out for you	
Because you're the one I miss		
And it's (15)	me crazy	
Bite your lips, the word's a robbery
