I can't wait to see the light

Fill in the gaps

Locked out of heaven by Bridgit Mendler

I never had much faith in love or miracles	And right here is where I wanna stay
Never (1) put my heart on the line	Because your love takes me to paradise
But (2) in your world is something	Yeah your love takes me to paradise
spiritual	And it shows, yeah
I'm born again every time	You make me feel like
You spend the night	I've been locked out of heaven
Because your love takes me to paradise	For too long, for too long
Yeah your (3) takes me to paradise	You make me (6) like
And it shows, yeah	I've been locked out of heaven
You make me feel like	For too long, for too long
I've been locked out of heaven	Can I just stay here?
For too long, for too long	Spend the rest of my days here?
You (4) me feel like	You (7) me feel like
I've been locked out of heaven	I've been (8) out there waiting
For too long, for too long	You (9) me feel like
You bring me to my knees	I've been locked out of heaven
You make me testify	For too long, for too long, for too long
You can make a shinner change his ways
