

Each one a song to sing

Fill in the gaps

Something in the water by Brooke Fraser

I wear a demeanor		Oh I sing, oh I sing, oh I sing		
Made of (1) pretty things		Give me long days in the sun		
What she wears, what she wears, (2) she wears		Preludes to the nights to come		
Birds singing on my shoulder		Previews of the mornings laying in all lazy		
In harmony it seems		Give me (6)	_ fun to do	
How they sing, how they sing, how they sing		Like a life of loving you		
Give me nights of solitude		Kiss me quick now babe		
Red wine, just a glass or two		I'm still crazy (7) you	I'm still crazy (7) you	
(3)	in a hammock on a balmy evening	There's (8)	in the water	
I'll pretend that it's no thing		Something in the water		
That's skipping my heart when I think		There's something in the water		
Of you thinking of me, babe,		That makes me love you like I do		
I'm crazy over you		Give me nights of solitude		
There's something in the water		Red wine, just a glass or two		
Something in the water		Give me something fun to do		
There's something in the water		There's something in the water		
That makes me (4) you like		Something in the water		
I've got halos made of summer		There's something in the water		
Ribbons made of spring		That makes me (9) you	(10)	I do
What she wears, (5) she wears, what she wears		(bis)		
I got crowns of words h	and woven
