

We take care of our own

Fill in the gaps

We take care of our own by Bruce Springsteen

I've been knocking on the door			Where're the eyes, t	he (6)	with the will to see	
That holds the throne			Where're the hearts that run over with mercy			
I've been looking for the map that leads me home			Where's the (7) that has not forsaken me			
l've been (1)	on	good	Where's the work that'll set my hands, my soul free			
(2)			Where's the spirit that'll reign, reign over me			
Turned to stone			Where's the promise from sea to shining sea			
The road of good (3)			Where's the promise from sea to shining sea			
Has gone dry as a bone			Wherever this flag's flown			
e take (4) of our own			Wherever this flag's flown			
We take care of our own			Wherever this flag's flown			
Wherever this flag's flown			We take care of our own			
We take care of our own			We (8) care of our own			
From Chicago to New Orleans			Wherever this flag's flown			
From the muscle to the bone			We take care of our own			
From the shotgun shack to the Super Dome			We take care of our own			
There ain't no help, the cavalry stayed home			We take care of our own			
There ain't no one hearing the bugle blowing			(9)	(10)	flag's flown	
We take care of our own			We take care of our own			
We take (5) of our own
