

Oh for when I'm a billionaire

## Fill in the gaps

## Billionaire by Bruno Mars & Travis

I wanna be a billionaire	Oh for when I'm a billionaire
(It would be) so fricking bad	I'll be playing basketball with the President
Buy all of the things I never had	Dunking on his delegates
Uh, I wanna be on the cover of Forbes magazine	Then I'll compliment him on his political etiquette
Smiling (1) to Oprah and the Queen	Toss a couple milli in the air
Oh every time I close my eyes	Just for the heck of it
I see my name in shining lights	But keep the fives, twentys, tens,
A different city every night oh	And Bens completely separate
I swear the world better prepare	And yeah I'll be in a whole new tax bracket
For when I'm a billionaire	We in recession but let me take a crack at it
Yeah I would have a show like Oprah	I'll probably take whatever's left
I would be the host of, (2) Christmas	And just split it up
Give Travie a wish list	So everybody that I (9)
I'd probably pull an Angelina and Brad Pitt	Can have a couple bucks
And (3) a bunch of (4)	And not a single tummy around me
That ain't never had sh*t	Would know what hungry was
Give away a few Mercedes	Eating good sleeping soundly
Like here lady have this	I know we all have a similar dream
And last but not least	Go in your pocket pull out your wallet
Grant somebody their last wish	And put it in the air and sing
It's been a couple months since (5)	I wanna be a billionaire
(6) so	So fricking bad
You can call me Travie Claus	Buy all of the things I never had
Minus the Ho Ho	Uh, I wanna be on the cover of Forbes magazine
Get it, hehe,	Smiling next to Oprah and the Queen.
I'd probably visit	Oh every (10) I close my eyes
Where Katrina hit	I see my name in shining lights
And damn sure do a lot more	A different city every night oh
Than FEMA did	I swear the world better prepare
Yeah can't forget about me stupid	For when I'm a billionaire
Everywhere I go I'mma have	Oh for when I'm a billionaire
My own theme music	Oh for when I'm a billionaire
Oh every time I close my eyes	I wanna be a billionaire
I see my name in shining lights	So fricking bad
A different city every night oh	
I swear the (7) better prepare	
For (8) I'm a billionaire	

- 1. next
- 2. everyday
