Fill in the gaps

Well look at here look at here	You'll tell me
Ah what do we have?	Baby baby please don't go away
Another pretty thang ready for me to grab	But when I play, I never stay
But little does she know	To every (7) that I meet here this is what I say:
That I'm a wolf in sheep's clothing	Run run run away, run away baby
(1) at the end of the night	Before I put my spell on you
It is her I'll be holding	You better get get away get away darling
I love you so	Because everything you heard is true
That's (2) you'll say	Your poor little (8) (9) end up alone
You'll tell me	Because lord knows I'm a rolling stone
Baby baby (3) don't go away	So you better run run run away run away baby
But when I play, I never stay	See I ain't try to hurt you baby
So every girl that I meet here this is (4) I say	No, no, no I just wanna work you baby, yep yep
Run run run away, run away baby	See I ain't try to hurt you baby
Before I put my spell on you	No no, no I just wanna work you baby
You'd better get get away get away darling	If you're scared you better run -you better run-
Because everything you heard is true	You better run -you better run-
Your poor little heart will end up alone	You better run -you better run-
Because lord knows I'm a rolling stone	You better you better
So you better run run run away run away baby	Run run run away, run away baby
Well let me think let me think	Before I put my spell on you
Ah what should I do?	You better get get away get away darling
So many eager young bunnys	Because everything you heard is true
(5) I'd like to pursue	Your poor little heart will end up alone
Now even now they eating out the palm of my hand	Because lord knows I'm a rolling stone
