Cloud number nine by Bryan Adams

Number nine, number nine, (1) nine	And the (5) is out and the stars are bright
Clue number one was when you knocked on my door	And whatever comes is gonna be alright
clue number two was the look that you wore	Because tonight you will be mine, up on cloud number nine
And that's when I knew, it was a pretty good sign	And there ain't no (6) that I'd rather be
That something was wrong	And we can't go back but you're here with me
Uup on cloud number nine	Yeah, the weather is really fine
Well it's a long way up	Up on (7) number nine
And we won't come down tonight	Number nine, number nine, number nine
Well it may be wrong but (2) it sure feels right	Well we won't come down tonight
And the moon is out and the stars are bright	Yeah we won't (8) down tonight
And whatever comes is gonna be alright	No we won't come down tonight
Because tonight you will be mine, up on cloud number nine	Because the moon is out and the stars are bright
And there ain't no place that I'd rather be	And whatever comes is (9) be alright
And we can't go back but you're here with me	Because tonight you will be mine, up on cloud
Yeah, the weather is really fine	(10) nine
Up on cloud number nine	And there ain't no place that I'd rather be
He hurt you and you hurt me	And we can't go back but you're here with me
And that wasn't the way it was supposed to be	Yeah, the weather is really fine
So baby tonight let's leave the world behind	Up on cloud number nine
And spend some (3) up on cloud	Yeah we can watch the world go by
(4) nine	Up on cloud number nine
Well it's a long way up	
And we won't come down tonight
