Cloud number nine by Bryan Adams

(1) nine, number nine, number nine	And the moon is out and the stars are bright
Clue number one was when you knocked on my door	And whatever (6) is gonna be alright
clue number two was the (2) that you wore	Because tonight you will be mine, up on cloud number nine
And that's when I knew, it was a pretty good sign	And there ain't no place that I'd rather be
That something was wrong	And we can't go back but you're here (7) me
Uup on cloud number nine	Yeah, the weather is really fine
Well it's a long way up	Up on cloud number nine
And we won't come (3) tonight	Number nine, number nine, number nine
Well it may be wrong but baby it sure feels right	Well we won't come down tonight
And the moon is out and the stars are bright	Yeah we won't come down tonight
And whatever comes is gonna be alright	No we won't come down tonight
Because tonight you will be mine, up on cloud number nine	Because the (8) is out and the stars are bright
And there ain't no place that I'd rather be	And whatever (9) is gonna be alright
And we can't go back but you're (4) with me	Because tonight you will be mine, up on cloud number nine
Yeah, the weather is really fine	And there ain't no place that I'd rather be
Up on cloud number nine	And we can't go back but you're here (10) me
He hurt you and you (5) me	Yeah, the weather is really fine
And that wasn't the way it was supposed to be	Up on cloud number nine
So baby tonight let's leave the world behind	Yeah we can watch the world go by
And spend some time up on cloud number nine	Up on cloud number nine
Well it's a long way up	
And we won't come down tonight	
Well it may be wrong but baby it sure feels right
