

Fill in the gaps

Thinking about you by Calvin Harris

f I told you
That this couldn't get better baby
And your heartbeat
It lets me know you feel the same
I can hold you
Keep you safe until you fall asleep
Never worried
Because I can give you what you need
Now everything I do, is all for loving you
It's not something that we used to
No other way to say, I need you every day
And now I'm going to change my ways
And it's a part of you, I never want to lose
I'll do anything you want me to
(1) any other day, I know I'll find a way
And if ever I'm alone you'll say
I'll be thinking about you

I'll be thinking about you

I'll be thinking about you I'll be thinking about you

In a moment, I know that everything could change
And I know that my (2) would never be the same
You're the only one that's making sense to me
When I close my eyes, you're the one I see
There's no other way I could ever be
Without you baby
Now everything I do, is all for (3) you
It's not (4) that we used to
No other way to say, I (5) you every day
And now I'm going to (6) my ways
And it's a part of you, I never want to lose
I'll do anything you (7) me to
(8) any other day, I know I'll find a way
And if ever I'm (9) you'll say
I'll be thinking about you
