

Fill in the gaps

I'm tired of being (1) you want me to be	And every second I waste is (8) than I can take.
Feeling so faithless, (2) under the surface	I've become so numb, I can't feel you there,
Don't know what you're expecting of me	Become so tired, so much more aware
Put under the pressure of walking in your shoes	I'm becoming this, all I want to do
(Caught in the undertow, just caught in the undertow)	Is be (9) like me and be less like you.
Every step that I take is another (3) to you	And I know
(Caught in the undertow, just caught in the undertow)	I may end up failing too.
I've become so numb, I can't (4) you there	But I know
Become so tired, so much more aware	You were just like me with someone disappointed in you.
I'm becoming this, all I want to do	I've become so numb, I can't feel you there,
Is be more like me and be less like you	Become so tired, so much more aware.
Can't you see that you're smothering me,	I'm becoming this, all I want to do
Holding too tightly, afraid to lose control?	Is be more like me and be less like you.
'Cause everything that you thought I would be	I've become so numb, I can't feel you there.
Has fallen apart (5) in front of you.	(I'm tired of being what you want me to be)
(Caught in the undertow, (6) caught in the	I've become so numb, I can't feel you there.
undertow)	(I'm tired of being what you want me to be)
Every step that I (7) is another mistake to you.

I've become so numb, I can't feel you there,
