

Fill in the gaps

I (1) your love	Watch my eyes are filled with fear
I need your time	Tell me do you, you're the same ?
When everything's (2)	Hold me in your arms again
You make it right	I need your love
I feel so high	I need your time
1 (3)	When everything's wrong
I need to be free with you tonight	You make it right
I need (5) love	I feel so high
I need your love	I come alive
I take a deep breath every time I pass your door	I need to be free with you tonight
I know you're there but I can't see you anymore	I need your love
And that's the reason you're in the dark	I need your love
I've been a stranger ever since we fell apart	All the years
I (6) so out of the sea	All the times
Watch my eyes are filled (7) fear	You have never been to blame
Tell me do you feel the same?	And now my eyes are open
Hold me in your arms again	And now my heart is closing
I need your love	And all the tears
I need your time	All the lies
When everything's wrong	All the waste
You make it right	I've been (10) to make it change
I feel so high	And now my eyes are open
I go alive	I need your love
I need to be free with you tonight	I need your time
I need your love	When everything's wrong
I need your love	You make it right
Now I'm dreaming, will I ever find you now?	I feel so high
I walk in circles but I (8) make out	I come alive
What I mean to you, do I belong?	I need to be free
I try to (9) this but I know I'm not that strong	
And I fool so halplassly
