## I need your love by Calvin Harris

## Fill in the gaps

I need your love	Watch my eyes are filled with fear
I (1) your time	Tell me do you, you're the same ?
When everything's wrong	Hold me in your arms again
You make it right	I need your love
I feel so high	I need your time
I come (2)	When everything's wrong
I need to be free with you tonight	You make it right
I need your love	I feel so high
I need your love	I come alive
I take a deep breath every time I pass your door	I need to be free with you tonight
I know you're there but I can't see you anymore	I need (7) love
And that's the reason you're in the dark	I need (8) love
I've been a stranger ever since we fell (3)	All the years
I feel so out of the sea	All the times
Watch my eyes are filled with fear	You have (9) been to blame
Tell me do you feel the same?	And now my eyes are open
Hold me in your arms again	And now my heart is closing
I need your love	And all the tears
I need your time	All the lies
When everything's wrong	All the waste
You make it right	I've been trying to make it change
I feel so high	And now my eyes are open
I go (4)	I need your love
I need to be free (5) you tonight	I need your time
I need your love	When everything's wrong
I need your love	You make it right
Now I'm dreaming, (6) I ever find you now?	I feel so high
I walk in circles but I never make out	I come alive
What I mean to you, do I belong?	I need to be free
I try to fight this but I know I'm not that strong	
And I feel so helplessly
