

Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days

When it was safe to dream awake

We designed a land

Where every child would like to stay

With no fear of heights

We climbed up the tallest tree

With a better view

We have the power to control

The rules of a place we've been only looking for

It's up to us to build a new world

We need to be this world

So come on, don't be scared, we are taking off

Because without love we'll (1)_____ be the same

(2)_____ without hope we'll never be strong

You need to fight for life for saving your soul

You need to (3)_____ for life for saving your soul

(4)_____ this first step

To (5)_____ the colors someone set

Draw your own lines

While there's hope, there's love

We (6)_____ to be this world

We have the (7)_____ to control

We (8)_____ to be this world

So come on, don't be scared, we are taking off

Because without love we'll never be the same

Because (9)_____ hope we'll never be strong

You need to fight for life for saving your soul

You need to fight for life for saving your soul
