

Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days

When it was safe to dream awake

We designed a land

Where every child would like to stay

With no fear of heights

We climbed up the tallest tree

With a better view

We have the power to control

The rules of a place we've been only looking for

It's up to us to build a new world

We need to be this world

So come on, don't be scared, we are taking off

Because without love we'll never be the same

Because without hope we'll never be strong

You need to fight for life for saving your soul

You (1)_____ to fight for (2)_____ for saving

(3)_____ soul

Take this first step

To change the colors someone set

Draw your own lines

(4)_____ there's hope, there's love

We need to be this world

We have the (5)_____ to control

We need to be this world

So come on, don't be scared, we are taking off

Because without (6)_____ we'll never be the same

Because without hope we'll never be strong

You need to fight for life for saving (7)_____ soul

You need to fight for life for saving (8)_____ soul

You need to fight for life

Because (9)_____ love...
