

Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days	Draw your own lines
When it was (1) to (2) awake	While (13) hope, there's love
We designed a land	We need to be this world
Where every child would (3) to stay	We have the (14) to control
With no fear of heights	We need to be (15) world
We climbed up the (4) tree	So come on, (16) be scared, we are
With a better view	(17) off
We have the power to control	Because without love we'll never be the same
The rules of a place we've (5) only	(18) without hope we'll never be strong
(6) for	You need to fight for life for (19)
It's up to us to build a new world	(20) soul
We need to be this world	You need to fight for life for saving your soul
So come on, don't be scared, we are taking off	You need to fight for life
Because (7) love we'll never be the	Because (21) love
(8)	You need to (22) for life
Because without hope we'll (9) be strong	Because (23) love
You (10) to fight for life for saving your soul	The rules of a (24) we've been only looking for
You need to fight for life for saving your soul	It's up to us to build a new
Take (11) (12) step	
To change the colors someone set
