Fill in the gaps

Crying on a suitcase by Casey James

Boy don't wait, don't (1)	Everything good in your life
(2) lock the door behind you	Begins and ends with her
Run and jump (3) your truck	Lose your pride while you can
Hit the gas, burn some rubber up	Come on man be a man
Yeah your time's running out	She's crying on a suitcase
Do it now	Sitting at the airport
Take a shortcut, take a back road	Waiting on the airplane
Take the shoulder to the exit	About to take her out of here
(4) the parking, scr*w the ticket	They're gonna call her number
Hit the curb and leave it sitting	She'll sit down by the window
Whatever it takes	The plane'll leave the runway
You gotta get to that gate	And fade into a goodbye sky
She's crying on a suitcase	You better run while you still got time
Sitting at the airport	She's crying on a suitcase
Waiting on the airplane	She's crying on a suitcase
About to take her out of here	Waiting on an airplane
They're gonna call her number	(6) to take her out of here
She'll sit down by the window	They're gonna (7) her number
The plane'll leave the runway	She'll sit down by the window
And fade (5) a goodbye sky	The plane'll leave the runway
You better run while you still got time	And fade into a goodbye sky
She's crying on a suitcase	You better run (8) you still got tim
Admit it boy you blew it	(9) you still got time
You really messed it up	She's crying on a suitcase
You can make excuses if you really want to lose her	Waiting on an airplane
