

Fill in the gaps

It's enough to vision

How you think I feel when you call my name
You got me (1) by the way I change
How you think I feel when you (2) my name
My name, say my name baby
Yes I (3) you say
For the way I know
We've been apart
It's an endless circle of poison
Arrow to my heart
Saying I, I love what you do to me
Need you to stay with me
I, I love you too much to let go
How you think I feel when you (4) my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
How you (5) I feel (6) you call my
name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
It's a (7) thought of my baby taking up
my time

Of you that's playing on my mind
Saying I, I love what you do to me
Need you to stay (8) me
I, I love you too much to let go
How you think I (9) when you call my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
How you think I (10) when you call my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
When you call my name
When you call my name
Say my name baby
W hen you call my name
When you call my name
Say my name baby
