

Fill in the gaps

How you think I feel (1) you call my name		
You got me confused by the way I change		
How you think I feel when you call my name		
My name, say my (2) baby		
Yes I (3) you say		
For the way I know		
We've been apart		
It's an endless circle of poison		
Arrow to my heart		
Saying I, I love what you do to me		
Need you to stay with me		
I, I love you too much to let go		
How you (4) I feel when you call my name		
You got me confused by the way I change		
How you think I feel when you call my name		
My name, say my name baby		
How you (5) I feel when you call my name		
You got me (6) by the way I change		
How you think I feel when you (7) my name		
My name, say my name baby		
It's a constant thought of my baby taking up my time		

It's enough to vision
