## Distance by Christina Perri

## Fill in the gaps

The sun is filling up the room
And I can (1) you dreaming
Do you feel the way I do, right now?
I wish we would (2) give up
Because the best (3) is falling
Calling anything but love
And I (4) make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so close to me
I'm (5) trouble breathing
I'm afraid of what you'll see, right now
I'll give you (6) I am
All my broken heartbeats
Until I know you'll understand
And I will (7) sure to keep my distance
Say I (8) you when you're not listening
And how long can we keep this up, up, up?
And I keep waiting
For you to take me
And you (9) waiting
To save what we have
So I'll make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Make sure to keep my distance
Say I (10) you when you're not listening
How long till we call this love, love, love?
