Northern lights by Cider Sky

Every time I close my eyes
I can touch the colors around me
Suddenly I realize
Everything I thought was (1)_____ is
here
And my heart sings in a world so incredible
And everything burns much brighter
I want to fly into this beautiful life
I think it'd be nice with you
I want to fly (2)_____ this beautiful life
I think it'd be nice with you,
With you, (3)_____ you, with you
Fingertips, northern lights,
tracing colors right through the sky
Underneath a lullaby
I never felt as blissful as I do here
And my heart sings in a world so incredible

And everything shines much brighter
I want to fly (4)_____ this beautiful (5)_____
I (6)_____ it'd be nice with you
I want to fly into this beautiful life
I think it'd be (7)_____ with you,
With you, with you, with you
Set the night on fire if we want to
Hanging out with the stars and the big moon
I'm very well thank you, how do you do?
I think it'd be nice (8)_____ you
Set the night on fire if we want to
Hanging out with the (9)_____ and the big moon
