

Every time I close my eyes		
I can (1) the colors around me		
Suddenly I realize		
Everything I thought was impossible is here		
And my heart sings in a world so incredible		
And everything burns much brighter		
I (2) to fly into this beautiful life		
I think it'd be nice with you		
I want to fly into this beautiful (3)		
I think it'd be nice (4) you,		
With you, with you, with you		
Fingertips, northern lights,		
tracing colors right through the sky		
Underneath a lullaby		
I (5) felt as blissful as I do here		
And my heart sings in a world so incredible		

Fill in the gaps

And everything shines much brighter		
I want to fly into this beautiful life		
I think it'd be nice with you		
I want to fly into this beautiful	(6)	
I think it'd be nice with you,		
With you, with you		
Set the night on fire if we want to		
Hanging out with the (7)	and the big moor	
I'm very well (8)	you, how do you do?	
I (9) it'd be nice	with you	
Set the night on fire if we want to		
Hanging out with the stars and the big moon		
Put them down for a dance with your lasso		
I think it'd be (10)	with you, with you (bis)
