

## Fill in the gaps

I took a (1) down a road					
It's the road I was meant to stay					
I'd see the fire in your eyes					
But a man's got to make his way					
So are you tough enough for my love?					
Just close your eyes to the heaven above					
I'm (2) home, I'm coming home					
I took a ride in a world					
I'll be spinning for the rest of my life					
I (3) your (4) beating baby					
Oh, sometimes it cuts like a knife					
So are you tough enough for my love					
Just close your eyes to the heaven above					
I'm coming home, I'm (5) home					
I'm (6) home where your love tonight					
Can shine on me					
I'm coming home where your loving arms					
Can set me free
