

## Fill in the gaps

Lying in my bed i near the clock tick	And darkness has turned to gray
And think of you	Watching (14) windows
Caught up in circles	You're wondering if I'm OK
Confusion is nothing new	Secrets stolen from (15) inside
Flashback warm (1)	The (16) beats out of time
Almost left (2)	If you're (17) you can look and you will find me
Suitcases of memories	(18) after time
Time after	If you (19) I will catch you I'll be
Sometimes you (3) me	(20)
I'm (4) too far ahead	Time after time
You're (5) to me	You said go slow
I can't hear (6) you've said	I fall behind
Then you say go slow	The (21) hand unwinds
I fall behind	If you're lost you can look and you will find me
The second hand unwinds	Time (22) time
If you're (7) you can look and you will find me	If you fall I will (23) you I'll be waiting
Time (8) time	Time after time
If you fall I will catch you I'll be waiting	If you're lost you can (24) and you will find me
Time after time	Time after time
If you're lost you can (9) and you (10)	If you fall I will catch you I'll be waiting
find me	Time after time
Time after time	Time after (25) (bis)
If you fall I (11) catch you I'll be	
(12)	
Time after time	
After my (13) fades
