

## Fill in the gaps

Is (1) secret safe tonight?	We can (18) the truth inside
And are we out of sight?	(It could be wrong, (19) be wrong)
Or will our world come tumbling down?	But it should've been right
Will they find our hiding place?	(It could be wrong, could be wrong)
Is this our (2) embrace?	Let our hearts ignite
Or (3) the walls (4)	(It could be wrong, could be wrong)
(5) in?	Are we digging a hole?
(It could be wrong, could be wrong)	(It could be wrong, could be wrong)
But it should've (6) right	This is outta control
(It could be wrong, could be wrong)	(It could be wrong, could be wrong)
Let our hearts ignite	It could never last
(It (7) be wrong, could be wrong)	(It could be wrong, (20) be wrong)
Are we digging a hole?	Must erase it fast
(It could be wrong, could be wrong)	(lt (21) be wrong, could be wrong)
This is outta control	But it could've been right
(It could be wrong, could be wrong)	(It could be wrong, could be)
It (8) never last	Love is our resistance!
(It could be wrong, could be wrong)	They keep us apart and won't (22) breaking us
Must erase it fast	down
(It could be wrong, could be wrong)	And (23) me, our lips must always be sealed
But it could've (9) right	The night has reached its end
(lt (10) be wrong, (11) be)	We can't pretend
Love is our resistance	We must run
They (12) us apart and they won't stop breaking us	We (24) run
down	It's time to run
And hold me, our lips (13) always be	Take us away from here
(14)	Protect us from further harm
If we live our life in fear	Resistance!
I'll wait a (15) years	
Just to see you smile again	
Quell your (16) for (17) and	
peace	
You'll wake the thought police
