## Down on the corner by Creedence Clearwater Revival

Early in the evening	Down on the corner, out in the street,
Just about supper time	Willy and the (8) are playing;
(1) by the courthouse	Bring a nickel, tap your feet.
They're starting to unwind	You don't need a penny
Four kids on the corner	Just to hang around,
Trying to bring you up	But if you've got a nickel,
(2) picks a (3) out	Won't you lay your (9) down?
And he (4) it on the harm	Over on the corner there's a happy noise
Down on the corner, out in the street	People come from all around to watch the magic boy
Willy and the poorboys are playing	Down on the corner, out in the street
(5) a nickel, tap (6) feet	Willy and the poorboys are playing
Rooster hits the washboard	Bring a nickel, tap your feet
And people just got to smile	Down on the corner, out in the street
Blinky, (7) the gut bass	Willy and the poorboys are playing
And solos for a while	Bring a nickel, tap your feet
Poorboy twangs the rhythm out on his kalamazoo	Down on the corner, out in the street
And Willy goes into a dance and doubles on kazoo	Willy and the poorboys are playing
Down on the corner, out in the street	(10) a nickel tap your feet
Willy and the poorboys are playing
