## You & I by Crystal Fighters

Just to speed it back up again

## Fill in the gaps

Happy, spinning, clapping, laughing, dancing	Hand me up oh, sit me down
In the blackness of magic	And I won't ham it up
Get it, have it, bag it	Or simmer down (5) it, bredrin
Throw yourself on the aeroplane	Nothing else but us right now
And fly like magic	And I ain't need (6) else
No sleep, no chance, no need, forget about it	No one else but you and I
One life, live free, big dreams	And it ain't me, it ain't you
We're all about them	It's only us, it's us right now
You're finding it, (1) it, take it in, it's all here	You're finding it, (7) it, take it in, it's all here
You and me, no one else, (2) else but us	You and me and no one else
right now	Nothing else but us right now
And I ain't need nothing else	And I ain't need nothing else
No one else but you and I	No one else but you and I
And it ain't me, it ain't you	And it ain't me, it ain't you
It's only us, it's us right now	It's only us, it's us right now
You're finding it, take it, take it in, it's all here	You and me, no one else, nothing else but us right here
You and me and no one else	You and I, no one else, nothing else but you and I
Nothing else but us right now	You and I
And I ain't (3) nothing else	Oh, hard to find the (8) to tell
No one else but you and I	Oh, the story of you and I, girl
And it ain't me, it ain't you	Oh yeah, even though there's nothing left just
It's only us, it's us right now	You and I, no one else, nothing else but you and I
You and me, no one else, nothing else but us right here	You and I
You and I, no one else, nothing else but you and I	Ain't need nothing else -you and I-
You and I	Yeah, nobody else -you and I-
(4) is not a constant my friend	You and I, no one else
You can't talk me out of that one again	(9) else but you -you and I-
Yeah, like (when) we gave ourselves the bends	
To a land I'll never understand	
Speed it up or if you mean it, slow it up a little bit	

- 1. take
- 2. nothing
- 3. need
- 4. Time
- 5. with
- 6. nothing
- 7. take
- 8. words
- 9. Nothing
