

Here we are with our backs against the wall

Fill in the gaps

We've got big city dreams
But we don't (1) from the asphalt
We run away from our own imagination
But at the same time we got this amazing fascination
We've got hopes on the horizon
We can't stop climbing the mountain
We're sick and tired of keeping silent
We are, we are, we are,
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
Come together
We are (2) come together, now
Who are they?
With (3) so-called innovations
They hold on like they've found
Their own salvation
They shy away from the slightest alteration
But at the same time we got the same fascination
We've got hopes on the horizon
We can't stop from climbing the mountain
We're sick and tired of keeping silent

We are, we are,
We are (4) come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the (5) escape
Come together
We are gonna come together, now
Just let go, it's a (6) fall
We're almost home, it's a free fall
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
We are gonna come together
We are gonna (7) together, now
We are gonna run together
We're gonna turn it upside down
Because with the (8) in the mirror
I can't see (9) face
So let's run to the fire escape
Come together
We are (10) come together, now
