

There maybe other people like us

## Fill in the gaps

i wanna be drunk when i wake up	You see the (15) of the clip (16)
On the (1) side of the wrong bed	they (17) up
And every excuse I made up	Flames just create us
Tell you the truth I hate	Burns don't heal like before
What didn't kill me	You don't hold me anymore
It never made me stronger at all	On (18) days Coldplay's out like the band's name
Love will scar (2) make-up lip sticks to me	I know I can't heal things with a hand shake
So now I'll maybe leave (3) there	You know I can't (19) as I began saying
I'm sat here wishing I was sober	You cut me (20) open like landscape
I know I'll never (4) you like I (5) to	(21) bottles of beer but never champagne
But our house gets (6) when you cut the heating	We'll applaud you with the sound that my hands make
Without you to hold I'll be freezing	Should I, (22) I?
Can't rely on my heart to beat it	Maybe I'll get (23) again
Because you take part of it every evening	I'll be drunk again
(7) words out of my mouth just from breathing	I'll be drunk again
Replace with phrases like when you're leaving me	To feel a little love.
Should I, should I?	All by myself
Maybe I'll get (8) again	I'm here again
I'll be drunk again	All by myself
I'll be drunk again	You know I'll (24) change
To (9) a little love	All by myself
I wanna hold your heart in (10) hands	All by myself
I'll watch it (11) at the bottom of a	I'm just drunk again
12) can	I'll be (25) again
And I've got no (13) for the weekend	I'll be drunk again
So shall we speak then	To feel a little love
Keep it between friends	
(14) I know you'll never love me like you	
used to.
