

Small bump by Ed Sheeran

Fill in the gaps

You're just a small bump unborn
In four months you're brought to life
Might be left (1)_____ my hair
But you'll have your mother's eyes
I'll hold your body in my hands
I'll be as gentle as I can
But for now you scan on my unmade plans
Small bump in (2)_____ months you're brought to life
And I whisper quietly
I'll give you (3)_____ but truth
If you're not inside me
I'll put my (4)_____ in you
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You'll be alright
You're just a small bump unknown
You (5)_____ into your skin
With a smile like hers
And a dimple beneath your chin
Finger nails the size of a half grain of rice
And eyelids closed to be soon opened wide
Small bump in four months you'll open your eyes

And I hold you tightly
I'll tell you (6)_____ but truth
If you're not (7)_____ me
I'll put my future in you
You are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You'll be alright
And you can lie with me
With your tiny feet when you're (8)_____ asleep
But if you be right in front of me for a couple weeks
So I can keep you safe
Because you are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You'll be alright
Because you're just a small bump unborn
But four months then torn from life
Maybe you were (9)_____ up (10)_____
But were still unaware as why
