

Small bump by Ed Sheeran

You're just a small bump unborn In four months you're brought to life Might be left with my hair But you'll have your mother's eyes I'll hold your body in my hands I'll be as (1)_____ as I can But for now you scan on my unmade plans Small bump in four months you're brought to life And I (2)_____ quietly I'll (3)_____ you nothing but truth If you're not inside me I'll put my future in you You are my one, and only You can wrap your fingers around my thumb And hold me tight You are my one, and only You can wrap your fingers around my thumb And hold me tight You'll be alright You're just a (4)_____ bump unknown You grow into your skin With a smile like hers And a dimple beneath your chin Finger nails the size of a half grain of rice And eyelids closed to be soon opened (5)_

Small bump in four months you'll open your eyes

Fill in the gaps

And I hold you tightly

7 that Friend you tightly
I'll tell you (6) but truth
If you're not (7) me
I'll put my future in you
You are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You'll be alright
And you can lie with me
With your tiny (8) when you're half aslee
But if you be right in front of me for a couple weeks
So I can keep you safe
Because you are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You'll be alright
Because you're just a (9) bump unborn
But four months then torn from life
Maybe you (10) needed up there
