

Fill in the gaps

You're (1) a (2) bump unborn	And I hold you tightly
In (3) (4) you're	I'll tell you nothing but truth
(5) to life	If you're not inside me
Might be left (6) my hair	I'll put my future in you
But you'll have your mother's eyes	You are my one, and only
I'll (7) your body in my hands	And you can wrap your (20)
I'll be as gentle as I can	(21) my thumb
But for now you scan on my unmade plans	And hold me tight
Small bump in four months you're brought to life	You'll be alright
And I whisper quietly	And you can lie with me
I'll (8) you nothing but truth	With (22) tiny feet when you're (23)
If you're not (9) me	asleep
I'll put my future in you	But if you be right in front of me for a (24)
You are my one, and only	weeks
You can wrap your (10) around my thumb	So I can keep you safe
And hold me tight	Because you are my one, and only
You are my one, and only	And you can wrap your fingers around my thumb
You can wrap your fingers (11) my thumb	And hold me tight
And hold me tight	You are my one, and only
You'll be (12)	And you can wrap your (25) around my
You're just a (13) bump unknown	thumb
You grow (14) your skin	And hold me tight
Nith a smile like hers	You'll be alright
And a dimple beneath your chin	Because you're just a small bump unborn
Finger (15) the size of a half (16)	But (26) months then (27) from life
of rice	Maybe you were needed up there
And eyelids closed to be soon opened (17)	But were (28) unaware as why
Small (18) in four months you'll open	
(19) eyes
