

Fill in the gaps

| You're just a (1) bump unborn | And I (5) you tightly |
|--|---|
| In four months you're (2) to life | I'll tell you nothing but truth |
| Might be left with my hair | If you're not (6) me |
| But you'll have your mother's eyes | I'll put my future in you |
| I'll hold your body in my hands | You are my one, and only |
| I'll be as gentle as I can | And you can wrap your fingers around my thumb |
| But for now you scan on my unmade plans | And hold me tight |
| Small bump in four months you're brought to life | You'll be alright |
| And I whisper quietly | And you can lie with me |
| I'll give you nothing but truth | (7) your tiny feet when you're half asleep |
| If you're not inside me | But if you be right in (8) of me for a couple |
| I'll put my future in you | weeks |
| You are my one, and only | So I can (9) you safe |
| You can wrap your fingers around my thumb | Because you are my one, and only |
| And hold me tight | And you can wrap your fingers (10) my thumb |
| You are my one, and only | |
| You can wrap your fingers around my thumb | And hold me tight |
| And hold me tight | You are my one, and only |
| You'll be alright | And you can wrap your fingers around my thumb |
| You're just a small bump unknown | And hold me tight |
| You grow into your skin | You'll be alright |
| With a smile like (3) | Because you're just a small bump unborn |
| And a dimple beneath your chin | But four months then torn from life |
| Finger nails the size of a half grain of rice | Maybe you were needed up there |
| And eyelids (4) to be soon opened wide | But were still unaware as why |
| Small bump in four months you'll open your eyes | |
