Bulletproof Heart by My Chemical Romance

Gravity	We can do it again.
Don't (1) too much to me	The papers say,
I'm who I've got to be	"Johnny won't you come back home?"
These pigs are after me,	'Cause everyone knows you don't
After you	Want to (7) up yourself, then tell the truth
Run away,	And God will save you
Like it was yesterday	Gravity
And we could run away	Don't mean too much to me
If we could run away,	I'm who I've got to be
Run away from here	These pigs are after me,
I got a bulletproof heart	After you
You got a hollow point smile	Run away
Me and (2) runaway scars,	Like it was yesterday
Got a (3) dream on the getaway	And we could run away,
mile	If we could run away,
Let's blow a hole in this town	Run away from here
Too much talking with the laser blade	And though I know how much you hate this
Gunnin' out of this place in a bullet's embrace	Are you gonna be the ones to save us?
Then we'll do it again	From the black and hopeless feeling?
How can they say,	Will you mean it when the end comes reeling?
"Jenny could you come back home?"	Hold your heart into this darkness
Cause everybody knows you don't	Will it ever be the light to (8) you out
Ever wanna come back,	Or fall and leave you stranded
let me be the one to save you	I ain't gonna be the one left standing
Gravity	You ain't (9) be the one left standing
Don't mean too much to me	We ain't gonna be the ones left standing
I'm who I've got to be	Gravity
These pigs are after me,	Don't mean too much to me
After you	Is this our destiny?
Run away	This world is after me,
Like it was yesterday	After you
When we could run away,	Run away
When we could run away,	Like it was yesterday
Run (4) from here	And we could run away,
I'm shootin' out of this moon	Run away, run away,
Because I sure don't like the company	Run away from here
Stop your preaching (5) there	Yeah, away from here
Cause I really don't care and I'll do it again	Away from here
So get me out of my head	
Cause it's getting kinda cramped, you know	
Coming (6) or not when the motor gets hot
