

Fill in the gaps

Bulletproof Heart by My Chemical Romance

Gravity	We can do it again.
Don't mean too (1) to me	The papers say,
I'm who I've got to be	"Johnny won't you (13) (14) home?"
These pigs are after me,	'Cause everyone knows you don't
After you	Want to (15) up yourself, (16) tell the
Run away,	truth
Like it was yesterday	And God will save you
And we could run away	Gravity
If we could run away,	Don't (17) too much to me
Run away from here	I'm who I've got to be
I got a bulletproof heart	These pigs are (18) me,
You got a hollow point smile	After you
Me and your (2) scars,	Run away
Got a photograph (3) on the getaway mile	Like it was yesterday
Let's (4) a hole in this town	And we could run away,
Too much talking (5) the laser blade	If we could run away,
Gunnin' out of this (6) in a bullet's embrace	Run away from here
Then we'll do it again	And though I know how (19) you hate this
How can they say,	Are you (20) be the ones to save us?
"Jenny (7) you come back home?"	From the black and (21) feeling?
'Cause everybody knows you don't	Will you mean it when the end comes reeling?
Ever wanna come back,	Hold your (22) into this darkness
let me be the one to save you	Will it ever be the light to (23) you out
Gravity	Or fall and leave you stranded
Don't mean too much to me	I ain't gonna be the one left standing
I'm who I've got to be	You ain't gonna be the one (24) standing
These pigs are (8) me,	We ain't (25) be the ones (26)
After you	standing
Run away	Gravity
Like it was yesterday	Don't mean too much to me
When we (9) run away,	Is this our destiny?
When we could run away,	This world is after me,
Run away (10) here	After you
I'm shootin' out of this moon	Run away
Because I (11) don't like the company	Like it was yesterday
Stop your preaching right there	And we (27) run away,
'Cause I really don't care and I'll do it again	Run away, run away,
So get me out of my head	Run away (28) here
'Cause it's getting kinda cramped, you know	Yeah, away from here
Coming ready or not, when the (12) gets hot	Away from here

1. much

- 2. runaway
- 3. dream
- 4. blow
