Only When I Sleep by The Corrs

Somewhere in my sleep

Fill in the gaps

You're only just a dreamboat	Got me spinning round and round
Sailing in my head	Turning upside-down
You swim my secret oceans	But its (5) when I sleep
Of coral blue and red	It's only when I sleep
Your smell is incense burning	Up to the sky
Your touch is (1) yet	Where (6) fly
t reaches (2) my skin	I'll never die
And moving from within	Hawaiian High
t clutches at my breast	In bed I lie
But it's only (3) I sleep	No need to cry
See you in my dreams	My sleeping cry
You got me spinning round and round	Hawaiian High
Turning upside-down	It's reaching (7) my skir
But I only hear you breathe	Movin' from within
Somewhere in my sleep	Clutches at my breasts
Got me spinning round and round	But it's only when I sleep
Turning upside-down	See you in my dreams
But its only (4) I sleep	You got me spinning round and round
And when I wake from slumber	Turning upside-down
Your shadow's disappear	But I only hear you breathe
Your breath is just a sea mist	Somewhere in my sleep
Surrounding my body	Got me spinning round and round
'm workin' through the daytime	Turning upside-down
But when it's time to rest	But its only when I sleep
'm lying in my bed	Up to the sky
Listening to my breath	Where angels fly
Falling from the edge	I'II (8) die
But it's only when I sleep	Hawaiian High
See you in my dreams	In bed I lie
You got me spinning round and round	No need to cry
Turning upside-down	My sleeping cry
But Lonly hear you breathe	Hawaiian High
